RESPONSIBILITY OF THE PARTICIPANTS. EXCLUSION OF THE ORGANIZATION'S RESPONSIBILITY

The event has all the corresponding permits for its celebration. And although it is intended to make an open competition and promote the practice of swimming sports, the organization warns that the test is hard and in addition there are risks inherent in swimming in open water.

It is the exclusive responsibility of the swimmer to be fit for competition, that is, to enjoy good health in general, as well as to have sufficient physical, technical and mental preparation to face a swimming test of several kilometers at sea. Should abstain those who do not meet or do not believe to meet the conditions of health bonanza and sufficient sports preparation to face a competition of depth and resistance in the aquatic environment.

Each swimmer declares with his inscription that he meets the conditions that make possible his participation in the crossing without generating major inconveniences for his person, the rest of the competitors and the organization. In a full and conscious way, each swimmer assumes for himself and as his own the risks derived from his participation in the race, being completely exempt from the organization of any responsibility that may arise as a consequence of the damages that the participation in the Crossing could entail to the participants, their cause or third parties.

That exempts the organizing entity, sponsors or other participating institutions from any responsibility in the event of any accident or injury that may occur before, during and / or after the sporting event. Who waives from this moment of my registration to initiate any legal action against said entities. That the information provided for registration is true.

DISCLAIMER (you must accept it in the Registration)

- I admit that I am solely responsible for all my possessions and sports equipment during the development of the Crossing and its collateral activities.
- Affirm and verify that I am physically prepared and sufficiently trained for this competition and that I have passed the appropriate medical examinations. Being physically well prepared for the competition, I enjoy good general health, without suffering from illness, physical defect or injury that may be aggravated by my participation in said test. If during the test, I suffered any type of injury or any other circumstance that could seriously harm my health, I will inform the Organization as soon as possible by raising my hand in the water or in the area of doctor in goal.
- I agree to receive medical treatment at my own cost if necessary due to injury, accident and / or illness during the test. Being aware that this type of competition, when developing in the natural environment, in places of difficult control, carries an additional risk for the participants. Therefore, I attend my own will and initiative fully assuming the risks and consequences arising from my participation.
